

Program Preference Process, Evaluation, Placement, and Registration

Program Preferences Evaluation and Additional Placement

- 1) Quotas approved by the Council of Higher Education (COHE) and published on COHE's official website are valid.
- 2) Program preference procedures are carried out online by candidates on the <https://www.ahievran.edu.tr/> homepage.
- 3) Each candidate can select up to ten (10) program preferences.
- 4) In the online application, if incorrect statements or erroneous information/documents are detected, the application of the candidate is considered invalid, and no registration rights are granted.
- 5) Meeting the application conditions does not guarantee admission to the program.
- 6) Evaluation and placement into quotas are determined based on AHİYÖS / TR-YÖS scores, order of preference, and the number of candidates of the same nationality accepted to a program.
- 7) In case of vacant quotas after placement, additional placements may be made.
- 8) Additional placements are conducted by a commission determined by Senate decision, taking into account national diversity and distribution, as well as high school diploma grades / secondary school leaving exam scores.
- 9) For candidates who meet the minimum score in the AHİYÖS / TR-YÖS exam and apply to programs admitting students through a special talent exam, the evaluation and placement process is determined based on the special talent exam score, order of preference, and the number of candidates of the same nationality accepted to a program with special talent criteria. Applications of candidates found not to meet the application conditions are not considered in the evaluation.

Registration

- 1) Application results, necessary documents for registration, and registration dates will be announced on the University's website.
- 2) Accepted candidates on the main list will receive their acceptance letter online from the university's official website.
